

# Brennen Riley

## Information

Current observations

2 lane entrances

too small in south lot

too far to walk to school

not enough exits

water puddles

## values-

Good now and Good after

less traffic

less rivers

## risks

bad now/after

time consuming

expensive

## decisions

Best fix for problem

add one at the north lot

add a storm drain

raise taxes

Information (current obs) Values (Good now/after the change)

### Problem

- Only two lane entrances
  - Individual Drivers
  - Too small → South lot
  - Preparing parking lot
  - Puddles when rains
  - Circle Drive parking pass
  - Not enough exits
  - turning lane
- Less traffic
  - Less crashes
  - Safe ♡
  - NO more rivers
  - Widening the entrance

Risk (Bad now/after the change) Decisions (Best fix for problem)

- VERY time consuming
- So much \$\$\$

### Solution

- Put another exit
- Storm Drains
- Talk to school board
